

Dsinty Hand-Embroidered Frock with Sash to Match.

Nothing Smarter for Little Folk This Year Than Linen - Smocked Dresses of **Dotted Swiss Daintily Em**broidered In Color — All Little Girls Wear Short Sleeves — Cunning Suits for Wee Boys.

always interesting to note how the styles for little girls ow grown-up modes. This year illes, sashes, quaint collar effects and short sleeves are in fashion and eminine dress is fascinatingly femsternly tailored. So, of course, the small girl has her ruttles and frills and sashes, like her mamma, and these frilly fashions seem to suit her instances-much better than they do her mamma. Never were frocks for little girls more adorable than they are this year, except when Kate Greenaway fashions pre-

Linen is far and away the most favored material for childish raiment. For little girls there are smart frocks rierae braid or hemstitching, and relectable frocks of cobwebby fine handkerchief linen with hand emproldery of the daintiest sort. boys have cunning Oliver Twist and Russian tunic suits of linen. There is no fabric like linen for children's summer wear. Its coolness, its cripp freshness. Its wonderful wearing qualities and the satisfactory way it launders all commend it-and mothers are very thankful to get lines back for their little folks; during the war years it was unobtainable for clothes inand were eligible for government linen.

over cunning pantalettes with lace frills at the knee. And the little lady, you observe, has an extremely modish bandeau by way of colffure ornament. It is made of shirred pink ribbon with osettes above the cars.

Linen for the

Fashion Does Not Overlook The Small Boy

Cunning Oliver Twist styles are as popular as ever for wee boyhood and there are many variations on the original models. The little Oliver Twist suit was a happy inspiration, for even tiny boys of two years old can wear real trousers now-the short Oliver Twist breeches are so cunning on chubby legs and the whole costume has a babyish picturesqueness so that a baby boy is still a baby even in his bifurcated garment and does not look grotesque as tiny boys used to in manly garments that immated grown-up styles. Pictured is a little suit for a high-waisted breeches are of pink linen and they button to a cool waist of white he rechief linen, hand embroidered . Mop and dot effect on cuffs and count. The white socks have pink trimming too.

Another little boy wears a very smart new suit in tunic style, with effeetive strappings and covered butnarrow black velvet and the sash is and on the pleated sleeve. This suit of black velvet ribbon, fied with loops is made of green linen and the trimand ends at the back. With such a shown also in all-white linen, in brown linen with we' wimmings part of the daintiness—a short little petticoat of lace and frilled net, worn mings.

Women Embroidering Linens This Summer

knitting needles and balls of yarn no time are in latter for woman has taken to doing the thing now—not the time it takes dren's dame Saturday night, before dentities for grown-ups starts in embroidery again and is interested in to do the work.
